

# Homeschool Self-Certification Statement

Please complete and submit this statement, along with your final high school Transcript. This is necessary to make sure you are eligible for all federal and state financial aid possible.

As the official representative of the \_\_\_\_\_ homeschool, I certify that the home education has been completed according to the laws of our home state.

- Our state does not require a secondary school completion credential for homeschooled students.
- Our state does require a secondary school completion credential for homeschooled students.  
A copy will be provided.
